

# YDL TEAM SELECTION CRITERIA

1. The top two U13/U15/U17 Athletes in each of the events at the Trials every year will be offered a place in the Team for the first YDL Meet. Regardless of the result at the trial the athlete **MUST** also be eligible under Airdrie Harriers selection guidelines. The athlete must attend training regularly as stated in the Club Championship Entry Criteria, compete for Airdrie Harriers when asked by team managers, monthly subscriptions must be up to date etc.

2. For the subsequent YDL meets an Athlete must make the YDL Club Representative(s) aware that they wish to be considered for selection. The athletes performances posted on the Power of 10 after the Trials will be used to consider their selection for those meets but will not guarantee selection;

**Note:** Only those performances after the Trials and posted on the Power of 10 **PRIOR** to the Team Selection Meetings will be considered.

3. If there are any gaps for any of the first 3 meets, these places will be offered to the best performing Athlete available using the Power of 10;

4. If Team NL make the YDL Final, Athletes who have represented Team NL in any of the 3 qualifying meets will be initially considered. If there are any gaps, the Power of 10 will then be used to offer the next best performing Athlete a place in the Team.
